Footnotes:

(1) Type identifies if the rate is the general rate or a pediatric enhanced rate.

(a) The pediatric enhancement is a 15% increase to the General rate for recipients under the age of 21.

(b) The pediatric enhancement applies to surgery codes and select Medicine codes related to cardiology e. Obstetrical services codes 59000 - 59999 will be reimbursed at 95% of the Medicare Non-Facility rate.

(2) Nevada Medicaid calculates rates for services billed by Physicians using the 2014 Medicare Physician Fee Schedule

a. Surgical codes 10000 - 58999 and 60000 - 69999 will be reimbursed at 95% of the Medicare Facility rate.

b. Radiology codes 70000 - 79999 will be reimbursed at 100% of the Medicare Facility rate.

c. Medicine codes 90000 - 99199 will be reimbursed at 85% of the Medicare Non-Facility Rate.

d. Evaluation and Management codes 99201 - 99499 will be reimbursed at 95% of the Medicare Non-Facility rate
