

# **Public Notice of Nevada Medicaid Application for Section 1115 Oral Health Demonstration Waiver Project**

**July 18, 2022**

The Nevada Department of Health and Human Services (DHHS), Division of Health Care Financing and Policy (DHCFP) is publishing public notice of its intent to submit to the Centers for Medicare and Medicaid Services (CMS) a section 1115 Demonstration Waiver application to pilot a new oral health project for adults with diabetes who are enrolled in Medicaid. This notice is being provided pursuant to federal requirements for public notice and comment under 42 CFR 431.408. A copy of the full public notice and the draft Demonstration application may be found at:

<http://dhcfp.nv.gov/Pgms/waivers/1115OHDiabetes>.

The Nevada Department of Health and Human Services (DHHS) is requesting authority from the Centers for Medicare & Medicaid Services (CMS) for a five-year, section 1115 demonstration waiver to expand access to dental services for adults with diabetes in Nevada who receive services from participating federally qualified health centers (FQHCs). Specifically, DHHS seeks authority to waive federal requirements in Medicaid for “statewideness” and “comparability” under the Social Security Act to provide this new benefit to a subset of adults enrolled in Medicaid in Nevada. This Demonstration will further the objectives of Title XIX and Title XXI of the Social Security Act by improving access to high-quality, dental services that produce positive health outcomes for individuals with diabetes. The Demonstration will not modify the Nevada’s current Medicaid program or Children’s Health Insurance Program (CHIP) outside of the dental benefits described within the application.
