

How to Pick a Health Plan & Free Extra Benefits

Open enrollment for **urban members** is from October 1st -December 26th, 2025. **Rural members** will be assigned a plan on January 1, 2026. All members have 90 days to switch. After that, they must wait until the next Open Enrollment.

All health plans offer the same basic services:

- Unlimited primary care visits
- Behavioral & mental health services
- Durable medical equipment, prosthetics & orthotics
- Early periodic screening, diagnostic, treatment/well-child visits
- Emergency medical services
- Laboratory tests and X-rays
- Care management
- Family planning services
- Immunizations/vaccines
- Inpatient & outpatient hospital services
- Women's health services
- Pregnancy & newborn care
- Prescription medicines
- Substance use treatment
- Medical transportation

Here are the differences that can help you choose a health plan that meets your needs.

Check which plans are available where you live. Visit the health plan's website to check if it offers the hospitals, pharmacies, doctors, urgent care, and mental health services you need. Look at the free extra benefits to find ones that are right for you.
