Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following:

The Access to Care Monitoring Review Plan for the Fee For Service (FFS) Medicaid population has been posted to solicit public comment and feedback on both <https://dhcfp.nv.gov> and <http://notice.nv.gov> and we are requesting that all feedback and comments be submitted electronically to dhcfp@dhcfp.nv.gov. This plan outlines the data collected from various sources to assist with tracking and monitoring access to care issues for our recipients.

There is no anticipated fiscal impact to Tribal governments.

If you would like a consultation regarding this report, please contact Monica Schiffer at (775) 684-3653 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
