Dear Tribal Members:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed updates to the Nevada Medicaid State Plan Attachment 3.1-A Page 2a:

The State Plan Amendment (SPA) to Attachment 3.1-A Page 2a will allow school-based providers, including school counselors, school social workers, and school psychologists, with a Department of Education endorsement and current licensure to bill for covered services provided to school age Medicaid recipients in a school setting.

There is no anticipated fiscal impact on the tribal governments.

If you would like a consultation regarding this proposed change in policy, please contact Nahayvee Flores-Rosiles at nflores-rosiles@dncfp.nv.gov or (775) 350-0786 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
