Dear Tribal Members:

In accordance with established consultation guidelines, the Nevada Health Authority (NVHA) is notifying Nevada tribes of the following proposed changes to policy:

The Division of Nevada Medicaid is proposing changes to the Medicaid Services Manual (MSM) Chapter 200, Attachment A, Policy 02-02 – Federal Emergency Services (FES) Program. Policy is being revised to clarify the limited scope of reimbursable services available to Emergency Medicaid only (EMO) recipients. Services under this eligibility group are limited to the stabilizing treatment of an emergency medical condition, labor and delivery, and ESRD services. These proposed changes will be presented at public hearing on October 28th, 2025.

There is no anticipated fiscal impact to tribal governments.

If you would like a consultation regarding this proposed change in policy, please contact Nahayvee Flores-Rosiles at nflores-rosiles@dncfp.nv.gov or (775) 350-0786 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
