Dear Tribal Members:

In accordance with established consultation guidelines, the Nevada Health Authority (NVHA) is notifying Nevada tribes of the following proposed changes to the Nevada Medicaid state plan:

The NVHA is proposing a State Plan Amendment (SPA) to create a Single Preferred Drug List (PDL) that would align all Managed Care Organizations (MCOs) with the Fee-for-Service (FFS) pharmacy program, adopting a single, statewide PDL.

There is no anticipated fiscal impact to tribal governments.

If you would like a consultation regarding this proposed change in the state plan, please contact Nahayvee Flores-Rosiles at [nflores-rosiles@dncfp.nv.gov](mailto:nflores-rosiles@dncfp.nv.gov) or (775) 350-0786 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
