Dear Tribal Members:

In accordance with established consultation guidelines, the Nevada Health Authority (NVHA) is notifying Nevada tribes of the following proposed changes to the Nevada Medicaid State Plan:

The NVHA is proposing revisions to State Plan Attachment 3.1-A, Pages 10 and 10a for Personal Care Services. The proposed revisions include grammatical improvements, removal of language regarding transportation, since mileage is not a reimbursable activity, and elimination of obsolete references for Independent Contractors. Furthermore, the definition of the Self-Directed Skilled Service option was added in accordance with Nevada Revised Statute 629.091.

There is no anticipated fiscal impact to the tribal governments at this time.

If you would like a consultation regarding this proposed change in the state plan, please contact Nahayvee Flores-Rosiles at nflores-rosiles@nvha.nv.gov or (775) 350-0786 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
