Dear Tribal Members:

In accordance with established consultation guidelines, the Nevada Health Authority (NVHA) is notifying Nevada tribes of the following proposed changes to the Nevada Medicaid State Plan:

The NVHA is proposing updates to the Nevada Medicaid State Plan Attachment 3.1A, to include, at a minimum, approved vaccines and their administration as recommended by the Advisory Committee on Immunization Practices (ACIP) or the Nevada Medicaid Drug Utilization Review (DUR) Board as a covered preventive service.

There is no fiscal impact.

If you would like a consultation regarding this proposed change in the state plan, please contact Nahayvee Flores-Rosiles at nflores-rosiles@nvha.nv.gov or (775) 350-0786 who will schedule a meeting. We would appreciate a reply within 30 days from the date of this letter. If we do not hear from you within this time, we will consider this an indication that no consultation is requested.

Sincerely,

Casey Angres
