Dear Sirs:

In accordance with established consultation guidelines, the Division of Health Care Financing and Policy (DHCFP) is notifying Nevada tribes of the following proposed change in policy regarding the coverage of disposable diapers, disposable gloves and orthotics.

In order to effectively manage the utilization of disposable diapers and under pads, DHCFP is proposing to lower the quantity limitation for these products. Due to the current budget shortfall, DHCFP is proposing to eliminate the coverage of specific non-custom orthotics for adults and eliminate the coverage of disposable gloves for all recipients.

If you would like a specific consultation regarding this new policy, please contact Glenda Grafton at (775) 684-3613, who will schedule a meeting. We would appreciate a reply whether or not you would like this consultation, however if we do not hear from you within 30 days from the date of this letter we will consider that an indication that no consultation is requested.

Sincerely,

A handwritten signature in blue ink that reads "Charles Duarte".
