State Demonstrations Group

June 18, 2025

Stacie Weeks
Medicaid Administrator
Division of Health Care Financing and Policy
4070 Silver Sage Drive
Carson City, NV 89701

Dear Administrator Weeks:

The Centers for Medicare & Medicaid Services (CMS) completed its review of the state's Evaluation Design, which is required by the Special Terms and Conditions (STCs), specifically, STC #11.3 "Draft Evaluation Design" of the state's section 1115 demonstration, "Whole Mouth Whole Body Connection for Adults with Diabetes" (Project Number 11-W-00428/9), effective through June 30, 2029. CMS has determined that the Evaluation Design, which was submitted on December 5, 2024 and revised on April 18 and June 9, 2025, meets the requirements set forth in the STCs and our evaluation design guidance, and therefore approves the state's Evaluation Design.

CMS has added the approved Evaluation Design to the demonstration's STCs as Attachment C. A copy of the STCs, which includes the new attachment, is enclosed with this letter. In accordance with 42 CFR 431.424, the approved Evaluation Design may now be posted to the state's Medicaid website within 30 days. CMS will also post the approved Evaluation Design as a standalone document, separate from the STCs, on Medicaid.gov.

Please note that an Interim Evaluation Report, consistent with the approved Evaluation Design, is due to CMS one year prior to the expiration of the demonstration, or at the time of the extension application, if the state chooses to extend the demonstration. Likewise, a Summative Evaluation Report, consistent with this approved design, is due to CMS within 18 months of the end of the demonstration period. In accordance with 42 CFR 431.428 and the STCs, we look forward to receiving updates on evaluation activities in the demonstration monitoring reports.

We appreciate our continued partnership with Nevada on the Whole Mouth Whole Body Connection for Adults with Diabetes section 1115 demonstration. If you have any questions, please contact your CMS demonstration team.

Sincerely,

Danielle Daly
Director
Division of Demonstration Monitoring and Evaluation
