We are in the process of transitioning to ensure that for any patients that were on medications that are now not currently formulary, we do have a method for them to still receive those medications for the time being. But the Single Preferred Drug List is now live, which is probably the most exciting piece of information.</p> <p>We always announce that we are recruiting for both of our boards, especially if you are a physician, physician assistant, APRN, or pharmacist. If you're interested, please check out our website or e-mail us at rxinfo@nvha.nv.gov.</p>
