

HIEs by State

State	HIE	Governor	Party Affiliation	HIE Type	HIE Assessment	Years	Consent Model	Funding	Total State Funds (est)	Notes
Alabama	ALOHR (Alabama One Health Record)	Kay Ivey	Republican	Government	Moderate		Opt-Out	State	\$20M	Moderately successful state run HIE. Operated by Cognosante.
Alaska	healthConnect Alaska	Mike Dunleavy	Republican	501c3	Low			State	???	Recently went through a significant state reassessment of the states investment in HIE due to poor management. Was refunded but points out the issues with too much involvement and oversight by the state.
Arizona/Colorado	Contexture	Hobbs/Polis	Democratic (both states)	501c3	High	???	Opt-Out	Private/State	>\$60M	Merger of AZ HIE and two HIEs in CO
Arkansas	State Health Alliance for Records Exchange (SHARE)	Sarah Huckabee Sanders	Republican	Government	Low	???	Opt-Out	State		Successful state HIE with good coverage in LR.
California	Multiple	Gavin Newsome	Democratic	501c3 (HDU future)	Moderate	2006	Opt-Out	State/Private	>\$50M	Regional HIEs formed initially but there is no state organization that coordiantes these efforts like NY. Some of the HIEs are very good while others are small and on the brink of collapse. Recent state law mandates participation by providers.
Connecticut	CONNIE	Ned Lamont	Democratic	501c3 (HDU)	Low	2022	Opt-Out	State/Private	>\$10M	This HIE has failed at least 3 times to get started. Now it finally seems like it is getting going with State backing. Mandatory participation is required
Delaware	Delaware Health Information Network (DHIN)	John Carney	Democratic	501c3	High	2005	Opt-Out	State/Private	???	Small state with significant state and private support. One of the oldest HIEs in the country and very well run.
Florida	Florida HIE	Ron Desantis	Republican	501c3	Low	2011	Opt-In	State	???	Very limited services and capabilities. Secure email and notifications only. Limited organizations connected.
Georgia	Multiple (GHIN and others)	Brian Kemp	Republican	501c3	Moderate		None	State/Private	>\$40M	GRAHIE(small) well run & GAHIN expanding with state \$, but still lacks statewide coverage.
Hawaii	Hawaii Health Information Exchange	Josh Green	Democratic	501c3	Low		None	State/Private	???	small HIE that covers the state and has so/so reception
Idaho	Idaho HIE	Brad Little	Republican	501c3	Low		None	State	>\$10M	Now bankrupt HIE which did not run itself effectively.
Illinois	None	J.B. Pritzker	Democratic		Low		Opt-Out		>\$12M	no HIE, failed on 2 attempts. No real push for a 3rd try
Indiana	Indiana Health Information Exchange	Eric Holcumb	Republican	501c3	High		None	State/Private	>\$100M	A unique entity with initial funding through unversity grants. Now one of the most successful HIEs in the country and have operations in multiple states.
Iowa	None (part of CyncHealth)	Kim Reynolds	Republican				Opt-Out		???	part of the CyncHealth (NE) HIE. Not statewide coverage
Kansas	Kansas Health Information Network (KHIN and KONZA)	Laura Kelly	Democratic	501c3/For Profit	High		Opt-Out	State/Private	???	An interesting mix of a state funded network (KHIN) and a not for profit organization KONZA which runs itself like a for profit and provides services in several states.
Kentucky	Kentucky Health Information Exchange (KHIE)	Andy Beshear	Democratic	Government	Moderate	??	None	State	???	state controlled with strong ties to Univ. KY
Louisiana	LaHIE (Government) and Regional HIEs	John Bel Edwards	Democratic	Government	Moderate	???	None	State		2 major players, not state wide coverage.
Maine	Maine HealthinfoNet	Janet Mills	Democratic	501c3	High	2005	Opt-Out	State/Private	???	fairly independent HIE, innovative. Lacks funding
Maryland	CRISP	Wes Moore	Democratic	501c3 (HDU)	High		Opt-Out	State/Private	>\$20M	One of the most successful HIEs in the country that selss its services to other states and HIEs. Mandatory participation and formally designated as the states HDU.
Massachusetts	State HIE (Mass Hiway) with regional hospital systems	Maura Healy	Democratic	Government	Low	???	Opt-In	State	???	no HIE.
Michigan	MiHIN/Velatura	Gretchen Whitmer	Democratic	501c3/For Profit	High		None	State/Private	>\$200M	One of the largest and most sucessful HIEs in the country that has now branched out to provider services for other states including Georgia, Missouri, and Wisconsin.
Minnesota	None						Opt-Out			No HIE

HIEs by State

State	HIE	Governor	Party Affiliation	HIE Type	HIE Assessment	Years	Consent Model	Funding	Total State Funds (est)	Notes
Mississippi	None	Tate Reeves	Republican	None		2020	None			No HIE of consequence, doesn't cover 80% of state
Missouri	Velatura (formerly Midwest Health Connect)	Mike Parson	Republican	501c3	High	???	None	State/Private	>\$40M	Missouri moving towards being designated the HDU
Montana	Big Sky Care Connect	Greg Gianforte	Republican	501c3	Moderate	2019	None	State/Private	\$40M	Relatively new HIE (last 5 years) which has moved forward very quickly due to signifncat state funding.
Nebraska	CyncHealth	Jim Pillen	Republican	501c3	High		None	State/Private	>\$50M	Highly successful HIE now merged with Iowa
Nevada	HealthIE Nevada	Joe Lombardo	Republican	501c3	Moderate	2011	Opt-In	Private	<\$2M	Solid, well run, most major facilities and payors participating, but under funded HIE. No state contract. Funded primarily by participating payors and providers.
New Hampshire	None	Chris Sununu	Republican				N/A			No HIE
New Jersey	NJ Health Information Network	Phil Murphy	Democratic	501c3	Moderate	2014	None	State	???	small HIE working with Velatura
New Mexico	Synchronys	Michelle Lujan Grisham	Democratic	501c3	Moderate		Opt-In	State/Private	>\$30M	Nearly went bankrupt in 2018 before the state came in and bailed them out with over \$20M in funding.
New York	Multiple (SHINY)	Kathy Hochul	Democratic	Government/501c3	High		Opt-In (federated)	State	>\$500M	New York has a central state run organization called the New York eHealth Collaborative which runs the State Health Information Network - New York (SHINY) which oversees and funds the efforts of the 5 independent regional HIEs.
North Carolina	HealthConnex	Roy Cooper	Democratic	Government (HDU)	Moderate	???	Opt-Out	State	???	Government run with mandatory connection requirements for all providers
North Dakota	North Dakota HIN	Doug Burgum	Republican	Government	Low	???	Opt-Out	State		strong independent HIE aligned with the state government
Ohio	CliniSync Health Information Exchange	Mike DeWine	Republican	501c3	Moderate	2009	Opt-Out	State/Private	>\$50M	consolidated HIE with good hospital support
Oklahoma	MyHealth Access		Republican	501c3	Moderate		None	Private/State	<\$5M	OK has been through significant changes and HIE challenges in the last 2 years. The state tried to set up an HIE which would have been in competition with MyHealth Access but it failed (similar to what happened in NV in 2014)
Oregon	Multiple (CareAccord and Reliance)	Tina Kotek	Democratic	Government/501c3	Low		None	State/Private	<\$5M	State service is very basic secure email. Reliance is in southern OR (Medford) and hs a regional full function HIE.
Pennsylvania	P3N and other regional HIEs	Josh Shapiro	Democratic	Government/501c3	High		Opt-Out	State/Private	>\$50M	P3N just went through a major technology upgrade
Rhode Island	Rhode Island Quality Institute- CurrentCare	Dan McKee	Democratic	QIO/501c3	Moderate	2005	Opt-Out	State/Private	>\$10M	old HIE that covers the state, but not connected to the ACPD
South Carolina	SCHIEx - SC Health Information Exchange	Henry McMaster	Republican	501c3	Moderate	2014	None	State/Private	???	No HIE of significance
South Dakota	SD Health Link	Kristi Noem	Republican	Government	Low	???	Opt-Out	State	???	Very independent HIE that covers the state
Tennessee	Disbanded State Effort/etHIN	Bill Lee	Republican	Government/501c3	Low	2011	None	State/Private	>\$11M	Failed statewide HIE. Eastern Tennessee still in business
Texas	Multiple	Greg Abbott	Republican	501c3	Moderate	???	None	State/Private	???	3 large HIEs, 1 small with relations to an THSA
Utah	UHIN		Republican	501c3	Moderate		Opt-Out	Private	<\$5M	UHIN has a claims processing as part of their HIEs which generates most of the revenues for support of the HIE. HIE itself is only a moderate to low performer.

HIEs by State

State	HIE	Governor	Party Affiliation	HIE Type	HIE Assessment	Years	Consent Model	Funding	Total State Funds (est)	Notes
Vermont	Vermont Information Technology Leaders (VITL)	Phil Scott	Republican	501c3	Moderate	2005	Opt-out 2021 Changed to	State/Private	>\$50M	Another HIE that transformed a few years back when the state did a reassessment. Now more of a state run HIE than a true non-profit. All funding comes from the state from an innovative "tax on claims" which funds the state portion of any federal funds matching. Public oversight from the Green Mountain Care Board which is a governor appointed board to oversee health care expenditures in the state.
Virginia	ConnectVirginia	Glenn Youngkin	Republican	501c3	Moderate	1996	None	State/Private	???	No real HIE. ED alerts. EPIC dominant.
Washington	OneHealthPort	Jay Inslee	Democratic	Government/501c3	Low		None	State	???	Not a full scale HIE but a single sign on capability to connect mostly hospitals.
West Virginia	West Virginia HIN	Jim Justice	Republican	Government	Moderate		Opt-Out	State		Runs on CRISP platform
Wisconsin	Wisconsin State Health Information Network (WISHIN)	Tony Evers	Democratic	501c3	High	2009	None	State/Private	>\$10M	Recently changed technology to Velatura.
Wyoming	None	Mark Gordon	Republican				None
