COVID-19 Testing in Nevada K-12 Schools

**Nevada Department of
Health and Human Services**

The State of Nevada Department of Health and Human Services received the ELC Reopening Schools grant from the CDC to support COVID screening testing in Nevada K-12 schools.

There are resources available for schools to order COVID antigen tests for K-12 students and staff in the 2022-2023 school year.

COVID-19 Testing in Nevada K-12 Schools

**Nevada Department of
Health and Human Services**

This includes point-of-care (on-site) tests for schools covered by a CLIA Certificate of Waiver and over-the-counter (take home) antigen tests.

Instructions for ordering COVID antigen tests can be found at this site:
