

COVID-19 Unwind Updates / Reminders

Tribal Consultation Healthcare Meeting
July 20, 2022

Phase 1 Communications / Campaigns

Public Health Emergency (PHE) Extended

US. Department of Health and Human Services (DHHS) renewed the COVID PHE to October 13, 2022:

- **August 14, 2022:** Date by which 60-day advance notice must be issued if this renewal is the final renewal. If no notice is issued by this date, assume another PHE renewal will be coming.
- **October 13, 2022:** Expiration of today's renewal of the PHE.
- **November 1, 2022:** Earliest date for initiating terminations of Medicaid coverage, assuming the PHE is not renewed.
- **December 31, 2022:** Last date under which the 6.2 percentage point FMAP enhancement is available, assuming the PHE is not renewed.

Phase 1 Communications / Campaigns

Plan & Educate

- **Phase 1** – This phase is focused on encouraging beneficiaries to provide DWSS with any updated contact information such as: name, address, phone number, and email.

PHASE 1: Objective	
PLAN	EDUCATE
Objective: States and partners engage in operational planning and develop coordinating mechanisms	Objective: Medicaid enrollees are informed of coming changes
Primary Audience: Providers, MCOs, and other community organizations that work with Medicaid enrollees	Primary Audience: Navigators, assisters, MCOs; enrollees who will need to take action to stay enrolled

PHASE 1: Communication/Messaging	
PLAN	EDUCATE
Update your contact information. Make sure Medicaid has the correct mailing address, phone, and email contacts to reach you with important updates about your health insurance	Get ready. Medicaid rules are changing. Here's what you need to know about upcoming changes to Medicaid eligibility and what you can do to prepare
