MCO Reinvestment Plans

- The state-MCO contract requires MCOs to submit a community reinvestment plan, annually, by March 1 to DHCFP
- This plan must detail the MCO's anticipated community reinvestment activities for State review and approval
- MCOs must also submit an annual report of actual community reinvestment expenditures within three months after the end of the Contract Year.
- As of date, all MCOs have complied with the submission of their community reinvestment plans for CY 2022.
