

Proposed Fee Schedule Changes for Provider Type 85 (Applied Behavior Analysis)

Per direction from the 2023 Nevada Legislative Session, current reimbursement rates shown below will only be amended if the median reimbursement rate paid by other states' Medicaid programs exceeds the current Nevada reimbursement rate. Rates for any service in which the median out-of-state reimbursement rate is lower than the current Nevada Medicaid rate will not be changed. These changes are subject to approval by the Centers for Medicare and Medicaid Services (CMS).
