Subject: Caplyta formulary request 6-24-21 medicaid
Date: Tuesday, May 25, 2021 10:11:18 AM

To whom it may concern,

Over the past year I have used Caplyta with great success. The combination of having a really good metabolic profile and placebo like EPS/Akathisia makes it a perfect choice for many of the schizophrenia patients in my practice.

Therefore I am asking you to make Caplyta unrestricted and preferred on the Nevada Medicaid formulary.

Thank you,

Dr. Cameron Duncan DNP, PMHNP
