Public Workshop

2024 Certified Community Behavioral Health Center Expansion

Division of Healthcare Financing and Policy

November 1, 2023

Department of Health and Human Services

Helping people. It's who we are and what we do.

Objectives

1. Brief History of Certified Community Behavioral Health Center (CCBHC) in Nevada
2. Who can be a CCBHC
3. Summary of CCBHC Required Services
4. Proposed CCBHC expansion model and enrollment criteria
5. Rate methodology
6. Steps to become a Medicaid CCBHC
7. Questions

History

- The Certified Community Behavioral Health Center Program is a Substance Abuse and Mental Health Services Administration (SAMHSA) Demonstration Project. The first year was the planning stage and states that successfully demonstrated the ability to implement the next phase of the program were selected.
- There were initially 24 states that were awarded the planning grant for the Demonstration Program. Out of those 24 States, Nevada was chosen as 1 of 8 states that were awarded to move forward with the 2-year implementation phase of the project.

Where we are now

- State Plan Amendment submitted to Centers for Medicare and Medicaid Management (CMS) January 2023
- During the 82nd Legislative Session DHCFP received budget authority to add additional CCBHCs from across the state
- July 1, 2023 Nevada is no longer a participant of the Demonstration
- State Plan Amendment is pending approval

Who can be a CCBHC?

- **Section 223 of the Protecting Access to Medicare Act (PAMA) (PL 113-93) requires that a CCBHC be one of the following entities:**
- A nonprofit organization
- Part of a local government behavioral health authority
- An entity operated under authority of the IHS, an Indian tribe, or tribal organization pursuant to a contract, grant, cooperative agreement, or compact with the IHS pursuant to the Indian Self-Determination Act.

Summary of CCBHC Services

- CCBHCs are responsible for providing all nine services, which can be provided directly or through formal relationships with Designated Collaborating Organization (DCOs):
 1. Crisis Services
 2. Treatment Planning
 3. Screening, Assessment, Diagnosis & Risk Assessment
 4. Outpatient Mental Health & Substance Use Services
 5. Targeted Case Management
 6. Outpatient Primary Care Screening and Monitoring
 7. Community-Based Mental Health Care for Veterans
 8. Peer, Family Support & Counselor Services
 9. Psychiatric Rehabilitation Services

Plus Assertive Community Treatment

7. Governing Board

New CCBHC Rate Methodology

Average of the current CCBHC rates
across the state

Cost report must be completed
after year 2

Daily rate

Quality Incentive Payments (QIP)

Years 1 and 2:

10% QIP is issued for submitting the full and complete required datasets for all measures, set in the technical specifications. Data must be reported for the entire performance period in which the provider is enrolled as a CCBHC

Year 3 and subsequent years:

- 5% QIP will be issued if the full and complete required datasets for all measures are submitted for the entire performance period.
- Data is required to be submitted quarterly
- an additional 10% can be added to the QIP for reporting payment based on performance.
- This performance QIP is broken down into
 - 1% payment for attainment each of the six required measures with an additional (6% total)
 - 2% payment for attaining performance for Plan All-Cause Readmission measure.
 - 2% payment for attaining the State directed crisis measure.

Steps to Become a CCBHC

- Watch the training session through CASAT Learning
- Review and complete the pre-enrollment
- Submit the pre-enrollment documents to CCBHC@dhcfp.NV.gov
- Documents needs to be individually numbered and named based on the pre-enrollment list
- State will review the submission
- Contact the provider and advise next steps
- After initial review the provider will be directed to start the enrollment process
