

Become an Approved Doula

State of Nevada Medicaid

More info: MedicalPrograms@dncfp.nv.gov

In 2021, the Nevada Legislature authorized Doulas as Nevada Medicaid providers. In collaboration with practicing doulas throughout Nevada, Nevada Medicaid has implemented provider type (PT 90 - Doula) and policy approved by the Centers for Medicare and Medicaid Services ([See Announcement 2853 at Medicaid.nv.gov](#))

When can I enroll?

Doulas may enroll as a PT 90 as an independent provider or group with Nevada Medicaid. Providers may request enrollment that is retroactive to their Doula Certification effective date as issued by the Nevada Certification Board. See [Web Announcement 2753 at Medicaid.nv.gov](#)

What is covered?

Doula Services per Nevada Medicaid policy are delivered by a non-medical trained professional who advocates, provides education and facilitates access to resources, and offers emotional and physical support during pregnancy, labor/delivery, and postpartum. For more on doula services visit [Medicaid Services Manuals MSM](#), sections 600 - Physician Services & 2900.

How to enroll

1. Apply and obtain a Doula Certification from the Nevada Certification Board.
2. Visit PT 90 - Doula [Provider Enrollment Checklist](#) to see a list of necessary documents.
3. Apply as a Nevada Medicaid PT 90 -Doula at [Provider Enrollment](#).

Certification:

Doula certification includes training, experience, a code of ethics, residency, and additional certifications. To learn more, visit the NevadaCertBoard.org
