Re: Memo Distributed on July 22, 2022 for CY 2023 Pay-For-Performance Withhold for Managed Care Organizations (MCOs)

Last month, DHCFS distributed a memo providing guidance for the CY 2023 Pay-for-Performance Withhold. It was brought to our attention from Mercer that a minor rounding error was made in calculating the targets listed in the table embedded in this previous memo. This error was specific to the targets listed for Molina. Please find below a corrected version of this table. The targets highlighted below reflect the corrected targets.
