Subject: Abilify & Rexulti on Open Access

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

To Whom It May Concern,

My name is Steve Dang and I am the Pharmacy Manager for Well Care Pharmacy Reno. We are associated with WC Health Clinic on Mill Street in Reno, NV. I am requesting open access for Abilify Maintena & Rexulti for class Psychotropic Agents-Antidepressants, other & Psychotropic Agents (Long acting injectibles). We are requesting open access for these medications as we service a large population of homeless patients and we dispense a fairly high quantity of these medications. Open access will allow these patients to continue to receive these medications without interruption of therapy thus maintaining their mental status. Please feel free to contact me if there are any questions. I appreciate your consideration.

Steve Dang
Well Care Pharmacy Reno
275 S. Wells Ave, Reno, NV 89502
