Agenda

1. Presentation and public comment
 - a. The purpose of this public workshop is to solicit feedback on a proposal to add new Tenancy Support Services for recipients who receive services through one of the state's four Medicaid Managed Care Organizations (MCOs). The new supports would be at no cost to the state budget and established as In Lieu of Services (ILOS) under 42 CFR 438.3(e)(2). To qualify for Medicaid funding, new benefits added as ILOS must be determined by the state to be medically appropriate and cost-effective substitutes for covered services or settings under the State Medicaid Plan. The effort to offer these new benefits to the Managed Care program is not intended to replace the state's efforts to establish State Plan coverage for Tenancy Support Services for recipients who are not covered under the state's Medicaid managed care program.
 - b. Public comment regarding subject matter.
2. Public comment regarding any other issue
3. Adjournment
